SECURITY CONTROL STAFF

August 1951

STATEMENT OF OBJECTIVES

a. To resurvey and restudy the amount of CIA classified material in other agencies, with a view toward eliminating that material which is no longer used or to establish such other controls as may be necessary as a result of these studies.

b. To establish closer relationship with Security Officers of the new agencies which have sprung up and to develop with them mutually satisfactory security arrangements for our material.

c. To anticipate and develop security policies to govern our relations with foreign governments, particularly in the field

[REDACTED]

d. To continue our review of older security practices, policies and other issuances to assure their adequacy and usefulness and to correct them where required.

e. To develop an SOP whereby Security can use experts in other CIA offices for opinions on such technical matters as statistical security, security involved in economic reports, technical scientific reports and others.

SECURITY CONTROL STAFF

STATEMENT OF FUNCTIONS AND ACTIVITIES

This Staff is responsible for devising, formulating and supervising the implementation of security policies, procedures and programs to safeguard classified information and intelligence material while in the custody of the Agency. It prescribes CIA security policies relating to contact and liaison relations between this Agency and other Federal Government departments and agencies, as well as foreign governments, in connection with the disclosure of intelligence information and material. The Staff promulgates collection and dissemination security policies and renders interpretations, opinions and decisions with respect to these policies. The Staff serves as consultant, from the security standpoint, in coordinating public relations and the release of information concerning our activities and functions. In this connection, it implements and carries out in the Agency, the various NSC directives relating to security and the protection of intelligence. It maintains continuing liaison with Federal departments and agencies in devising and carrying out security plans for CIA projects in those agencies, and continually monitors the security aspects until the conclusion of the projects. The Staff plans and conducts security surveys in other agencies to assure that CIA material is properly protected and that the personnel having access to CIA material meet CIA security requirements in accordance with Section 102(d)(3) of the National Security Act. Based on these surveys, this Staff develops and issues policy memoranda to guide CIA in their relations with these agencies. This Staff interprets for the Agency the various security policies of other agencies and of foreign governments and renders security decisions on classified material proposed for dissemination to foreign governments. Pursuant to Section 102(d)(3) of the National Security Act providing for the protection of intelligence sources and methods, this Staff provides security policies to accomplish this end. It advises, recommends and renders decisions in connection with requests of personnel of CIA for permission to publish their writings, deliver public addresses, conduct outside activities, participate in foreign travel, and all other personal matters involving security. It serves as security consultant to the other offices of CIA in their security plans, particularly in the various phases of interdepartmental exploitation, research, joint efforts and such special security measures which are necessary to protect CIA interest and activity. As the policy arm of the Chief, I&SS, the Staff serves on interdepartmental and international committees and renders all necessary decisions for the Agency on matters before those committees.
